

REMARKS

Enclosed herewith in full compliance to 37 C.F.R. §§1.821-1.825 is a paper copy of a Substitute Sequence Listing and a CD-ROM containing the computer readable form (CRF) of the Substitute Sequence Listing for the above-mentioned application. The CRF of the Sequence Listing is identical to the paper copy, except that it lacks formatting. In no way does the CRF add new matter to the application.

A paper copy of the Sequence Listing was submitted with originally-filed application papers, but apparently has been lost by the USPTO. Except for "header" and "footer" content, the Substitute Sequence Listing submitted herewith is identical to that originally filed on June 15, 2006 and so no new matter is added to the application by the Substitute Sequence Listing.

Favorable action on the merits of the application is requested.

Should there be any outstanding matters that need to be resolved in the present application, the Examiner is respectfully requested to contact Mark J. Nuell Reg. No. 36,623 at the telephone number of the undersigned below, to conduct an interview in an effort to expedite prosecution in connection with the present application.

If necessary, the Commissioner is hereby authorized in this, concurrent, and future replies to charge payment or credit any overpayment to Deposit Account No. 02-2448 for any additional fees required under 37.C.F.R. §§1.16 or 1.14; particularly, extension of time fees.

Dated: June 21, 2007

Respectfully submitted,
